Summer

is the longest-running musical in the world, with an impressive 42-year New York run. At the heart of its breathtaking poetry and subtle theatrical sophistication is a purity and simplicity that transcends cultural barriers. It is an intimate show engaging the

audience's imagination and showcasing a strong ensemble cast. The result is a timeless fable of love that manages to be nostalgic and universal at the same time. Its moving tale of young lovers who become disillusioned, only to discover a more mature, meaningful love is punctuated by a bountiful series of catchy, memorable songs, many of which have become standards: *"Try to Remember"*, *"Much More"*, *"I Can See It"*. By setting the story in 1920's Bremerton/Seattle, the Players have given this popular show their own unique vision. Join us in the beautiful Kitsap Forest Theater for this fantastic production of *The Fantasticks*.
